ENGINEER'S CERTIFICATION (112.3.d)

I hereby certify that, under my supervision, the facility has been inspected, and being familiar with the provisions of 40 CFR, Part 112, attest that this SPCC plan has been prepared in accordance with good engineering practices.

Those items identified as action items for SPCC Compliance in Plan P and Plan R are not covered by this certification. This certification does not relieve the owner/operator of the responsibility to bring and keep this facility in compliance with this Plan.
